FABRICS YARN CLASSES NOTIONS STENCILS BOOKS PATTERNS

May 8, 2018 Update

This time of the year it is so hard to decide if I want to be out doors putting plants in the ground or if I would rather be indoors sewing. With all the work I need to do in the yard it seems to be a bit higher on my priority list right now, however I have taken some time to do a bit of sewing. I made a really simple and cute baby quilt out of this cute Moda line called Mighty Machines. It's on my quilting machine right now or I would show it to you. It should make its debut in the next newsletter.

I had seen this little quilt on Pinterest one evening and fell in love with it. I couldn't figure out whose pattern it was, but I knew I just had to make it. Later that evening I sat down to thumb through my brand new Civil War Legacies IV book and OMG...there was that little quilt that I had fallen in love with. I took that as a sign that I really did need to make it so I started searching my stash and found exactly what I needed. I got it all made and I LOVE IT!!! Come in and check out my version.

These brand new precuts-Amorette- are beautiful. We have put together a display to give you some ideas of what to create using precuts.

Knitting fabric is really hot right now. We had gotten in this chicken fabric a while back and sold it all so we have it back in due to many requests.
